Scrum Master : Nsovo Nkuna

Development Team

Phetho Nemavhola

Nsovo Nkuna

- Vhulenda Mashaba
- Nfundwenhle Nkontwana
- Paballo Lipopo
- Khutso Mashapu

KEY DISCUSSION POINTS

Discussed the need to start compiling a formal report for the app.

Reviewed current test coverage and identified gaps.

Agreed that improving code coverage is a priority to ensure code quality and maintainability.

ACTION ITEMS

Assign team members to start writing different sections of the report.

Increase unit test coverage and ensure reporting tools are correctly configured.
