1. Key Discussion Points & Action Items:

UML Diagrams

- UMLs must be updated based on the current application, not derived from the original user stories.
- Ensure diagrams accurately reflect implemented features and system structure.

Logout Button

- Add a Logout button to the user interface.
- It should be clearly visible and fully functional.

Account Page Fixes

- Resolve all outstanding issues related to the Account page.
- Ensure proper user redirection after job application.
- Certain buttons should only appear after approval to prevent unauthorized actions.
