Scrum Master : Nsovo Nkuna

Development Team
Phetho Nemavhola
Nsovo Nkuna

- Vhulenda Mashaba
- Nfundwenhle Nkontwana
- Paballo Lipopo
- Khutso Mashapu

KEY DISCUSSION POINTS

Decided to replace the manual registration/login process with Google Sign-In.

Noted that this removes the need for storing user passwords, increasing security and reducing complexity.

Agreed to integrate Google's authentication API as a third-party login system.

ACTION ITEMS

Set up and test Google Sign-In integration.

Update documentation and system flow to reflect changes.
